

Quizzle (Logic Puzzle) Making

Your task is to create a quizzle with at least three items to match (ie. Mary-Chicken-Rice). It must also include at least four of these answers. You should be prepared to give a complete, readable, rough draft to two different classmates to try on _____. They will provide you with feedback, so you can adjust accordingly. Your quizzle should be doable, but with some level of difficulty geared towards middle school aged students. Your finished product should be typed and professional looking. Final quizzle due: _____. Your final draft should also include a correct answer key.
